8. Chief Engineer's Circular No. 17 dated 12th March 1895 pointing out the impolicy of multiplying the local cross roads as their maintenance will be a burden on District Funds.

B. 1. Read also Proceedings No. 15007-16—L. F. 55-93 dated 18th March 1895 passing orders on the classification of stations made by the Senior Surgeon regarding the pay of midwives.

'It is noted that Tarikere Taluk, which has been recognised as semi-Malnad, is not mentioned under class II of the Proceedings.

2. Read Proceedings No. 11190-97—L. F. 190-93 dated 22nd January 1895 calling for additional information with regard to the establishment of Toll-gates on the frontier roads in the Province.

Recorded with the observation that Mudgere-Mangalore Road is the only one (in the District) leading to the British Territories, and that a Toll-gate already exists on the said road at Kotigehar within the boundary of this District. The annual revenue realised therefrom is being credited to the Provincial Funds as the road is maintained from the same.

3. Proceedings No. 12075-6—2784 dated 12th February 1895 regarding the disposal of Rs. 96-4-1 (lying in deposit out of Jubilee Fund) applied for to be appropriated by Nuggimakki Mallesaiya for the benefit of his chattram.

Resolved that the sum in question be spent on the improvement of the town of Hariharpur, which is not a Municipality, and not to be handed over to Mallesaiya.

4. Read Tarikere Amildar's Itilla No. 731, dated 8th February 1895, with regard to the conversion of the present Travellers' Bungalow at Ajjampur into an hospital in case of erecting a separate Bungalow for travellers.

5. Yedahalli Deputy Amildar's Itilla No. 135, dated 28th March 1895, with a copy of Municipal Board Proceedings regarding the appointment of a separate midwife for the Sub-Taluk.

Resolved that a midwife may be employed from 1st July as necessary provisions have been made in the next year's District Funds Budget.

6. Read statement showing the allotment and expenditure to the end of March 1895 in the Revenue and Public Works Departments under District Funds and Local Funds General.

Resolved that the Amildars be urged to push on with the works as the expenditure now shown is considered to be most unsatisfactory and shows want of energy on the part of the Taluk authorities.

7 Government Proceedings No. 14176—L. F. 379-92, dated 11th March 1895, requesting the submission of definite proposals with regard to the employment of professional agency at the entire disposal of the Revenue Department for getting up estimates, &c.

Resolved that the present 10% allowed for establishment charges be expended on the employment of two efficient men and that some short bye-roads be also made over by the Public Works Department to the Revenue Department for being kept up, if the present proposal is sanctioned.

8. Proposed by the Executive Engineer that as the funds available for the up-keep of the District Fund roads are found to be totally inadequate some special measures be taken regarding the same.

Resolved that the request made in the meeting held on the 29th January 1894, be repeated, *viz.*, that the six roads mentioned in the above be maintained from Provincial Funds and the District Funds thereby relieved of its charge.

9 Read letter dated 12th March 1895, from the Honorary Secretary to the North Mysore Planters' Association, asking on what terms Government would open a road from the Gubbur Estate to Balehonnur

Resolved that a grant-in-aid be given from District Funds for the up-keep of the road if those interested in it open the same at their own cost.

Resolved that these repairs be carried out from Reserve Funds if available.

11 Proposed by Mr. K. Shankarappa that a chavadi be built at Mandagadde ferry on the Yedahalli side of the river.

Resolved that the ferry collections be ascertained to see if the traffic on the road is such as to necessitate the construction of a chavadi there.
